# AN ACT

Making appropriations for the Department of Agriculture and for the Farm Credit Administration for the fiscal year ending June 30, 1940, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the Department of Agriculture and for the Farm Credit Administration for the fiscal year ending June 30, 1940, namely:

# TITLE I—DEPARTMENT OF AGRICULTURE

### Office of the Secretary

#### SALARIES

For the Secretary of Agriculture, Under Secretary of Agriculture, Assistant Secretary, and for other personal services in the District of Columbia, and elsewhere, \$581,920: *Provided*, That in expending appropriations or portions of appropriations contained in this Act for the payment of personal services in the District of Columbia in accordance with the Classification Act of 1923, as amended, with the exception of the Assistant Secretary, the average of the salaries of the total number of persons under any grade in any bureau, office, or other appropriation unit shall not at any time exceed the average of the compensation rates specified for the grade by such Act as amended and in grades in which only one position is allocated the salary of such position shall not exceed the average of the compensation rates for the grade, except that in unusually meritorious cases of one position in a grade advances may be made to rates higher than the average of the compensation rates of the grade but not more often than once in any fiscal year and then only to the next higher rate: Provided further, That this restriction shall not apply (1) to grades 1, 2, 3, and 4 of the clerical-mechanical service, or (2) to require the reduction in salary of any person whose compensation was fixed as of July 1, 1924, in accordance with the rules of section 6 of such Act, (3) to require the reduction in salary of any person who is transferred from one position to another position in the same or different grade, in the same or different bureau, office, or other appropriation unit, (4) to prevent the payment of a salary under any grade at a rate higher than the maximum rate of the grade when such higher rate is permitted by the Classification Act of 1923, as amended, and is specifically authorized by other law, or (5) to reduce the compensation of any person in a grade in which only one position is allocated: Provided further. That the Secretary of Agriculture is authorized to

contract for stenographic reporting services, and the appropriations made in this Act shall be available for such purposes: Provided further, That the Secretary of Agriculture is authorized to expend from appropriations available for the purchase of lands not to exceed \$1 for each option to purchase any particular tract or tracts of land: Provided further, That not to exceed \$54,000 of the appropriations available for salaries and expenses of officers and employees of the Department of Agriculture permanently stationed in foreign countries may be used for payment of allowances for living quarters, including heat, fuel, and light, as authorized by the Act approved June 26, 1930 (5 U. S. C. 118a): Provided further, That with the approval of the Secretary of Agriculture employees of the Department of Agriculture stationed abroad may enter into leases for official quarters, for periods not exceeding one year, and may pay rent, telephone, subscriptions to publications, and other charges incident to the conduct of their offices and the discharge of their duties, in advance, in any foreign country where custom or practice requires payment in advance: Provided further, That no part of the funds appropriated by this Act shall be used for the payment of any officer or employee of the Department of Agriculture who, as such officer or employee, or on behalf of the Department or any division, commission, or bureau thereof, issues, or causes to be issued, any prediction, oral or written, or forecast with respect to future prices of cotton or the trend of same: Provided further, That no part of the funds appropriated by this Act shall be used for laboratory investigations to determine the possibly harmful effects on human beings of spray insecticides on fruits and vegetables.

# MISCELLANEOUS EXPENSES, DEPARTMENT OF AGRICULTURE

For stationery, supplies, materials, and equipment, freight, express, and drayage charges, advertising and press clippings, communication service, postage, washing towels, repairs, and alterations; for the maintenance, repair, and operation of one motorcycle and not to exceed three motor-propelled passenger-carrying vehicles (including one for the Secretary of Agriculture, one for general utility needs of the entire Department, and one for the Forest Service) and purchase of one motor-propelled passenger-carrying vehicle at not to exceed \$1,500, including the exchange value of one such vehicle, for official purposes only; for official traveling expenses, including examination of estimates for appropriations in the field for any bureau, office, or service of the Department; and for other miscellaneous supplies and expenses not otherwise provided for and necessary for the practical and efficient work of the Department, which are authorized by such officer as the Secretary may designate, \$108,250: Provided, That this appropriation shall be available for the payment of salaries of employees engaged in the maintenance, repair, and operation of motor transport vehicles, and that this appropriation shall be reimbursed from the appropriation made for any bureau or office for which such service is performed, in accordance with the provisions of the Act of May 11, 1922 (5 U. S. C. 543): Provided further, That the Secretary of Agriculture, during the fiscal year for which this appropriation is made, may maintain stocks of stationery, supplies, equipment, and miscellaneous materials sufficient to meet, in whole or in part, requirements

3

of the bureaus and offices of the Department in the city of Washington and elsewhere, but not to exceed in the aggregate \$200,000 in value at the close of the fiscal year, and the appropriations of such bureaus, offices, and agencies available for the purchase of stationery, supplies, equipment, and miscellaneous materials shall be available to reimburse the appropriation for miscellaneous expenses current at the time supplies are allotted, assigned, or issued, or when payment is received; for transfer for the purchase of inventory; and for transfer pursuant to the provisions of section 601 of the Act approved June 30, 1932 (31 U. S. C. 686): Provided further, That the appropriations made hereunder shall be available for the payment of salaries and expenses for purchasing, storing, handling, packing, or shipping supplies and blank forms, and there shall be charged proportionately as a part of the cost of supplies issued an amount to cover such salaries and expenses, and in the case of blank forms and supplies not purchased from this appropriation an amount to cover such salaries and expenses shall be charged proportionately to the proper appropriation: Provided further, That the facilities of the central storehouse of the Department shall to the fullest extent practicable be used to make unnecessary the maintenance of separate bureau storehouse activities in the Department: Provided further, That a separate schedule of expenditures, transfers of funds, or other transactions hereunder shall be included in the annual Budget: Provided further, That, except to provide materials required in or incident to research or experimental work where no suitable domestic product is available, no part of the funds appropriated by this Act shall be expended in the purchase of twine manufactured from commodities or materials produced outside of the United States.

Diseases of animals: For scientific investigations of diseases of animals, including the construction of necessary buildings at Beltsville, Maryland, and necessary expenses for investigations of tuberculin, serums, antitoxins, and analogous products, \$462,000: Provided, That of said sum \$78,182 may be used for researches concerning the cause, modes of spread, and methods of treatment and prevention of

the disease of contagious abortion of animals.

Eradicating tuberculosis and Bang's disease: For the control and eradication of the diseases of tuberculosis and paratuberculosis of animals, avian tuberculosis, and Bang's disease of cattle, \$8,300,000, together with the unobligated balances of the funds reappropriated

under this head for the fiscal year 1939 by the Agricultural Appropriation Act for that year from unobligated balances of funds made available by the Act of May 25, 1934 (48 Stat. 805), and section 37 of the Act of August 24, 1935 (7 U. S. C. 612b): Provided, That in carrying out the purpose of this appropriation, if in the opinion of the Secretary of Agriculture it shall be necessary to condemn and destroy tuberculous or paratuberculous cattle, or cattle reacting to the test for Bang's disease, and if such animals have been destroyed, condemned, or die after condemnation, he may, in his discretion, and in accordance with such rules and regulations as he may prescribe, expend in the city of Washington or elsewhere such sums as he shall determine to be necessary for the payment of indemnities to owners of such animals but, except as hereinafter provided, no part of the money hereby appropriated shall be used in compensating owners of such cattle except in cooperation with and supplementary to payments to be made by State, Territory, county, or municipality where condemnation of such cattle shall take place, nor shall any payment be made hereunder as compensation for or on account of any such animal if at the time of inspection or test, or at the time of condemnation thereof, it shall belong to or be upon the premises of any person, firm, or corporation to which it has been sold, shipped, or delivered for the purpose of being slaughtered: Provided further, That out of the money hereby appropriated no payment as compensation for any cattle condemned for slaughter shall exceed one-third of the difference between the appraised value of such cattle and the value of the salvage thereof; that no payment hereunder shall exceed the amount paid or to be paid by the State, Territory, county, and municipality where the animal shall be condemned; and that in no case shall any payment hereunder be more than \$25 for any grade animal or more than \$50 for any purebred animal: Provided further, That not to exceed \$100,000 of the amount herein made available may be used for continuation of scientific experimentation in diseases of livestock as authorized by section 37 of the Act of August 24, 1935 (7 U.S. C. 612b).

Eradicating cattle ticks: For the eradication of southern cattle ticks, \$475,000: Provided, That, except upon the written order of the Secretary of Agriculture, no part of this appropriation shall be used for the purchase of animals or in the purchase of materials for or in the construction of dipping vats upon land not owned solely by the United States, except at fairs or expositions where the Department of Agriculture makes exhibits or demonstrations; nor shall any part of this appropriation be used in the purchase of materials or mixtures for use in dipping vats except in experimental or demonstration work carried on by the officials or agents of the Bureau of Animal Industry: Provided further, That on and after May 1 of the fiscal year for which this appropriation is made, in any State or Territory whose legislature has been in regular session subsequent to the beginning of such fiscal year, no expenditures shall be made for these purposes until a sum or sums at least equal to such expenditures, or contributions other than money of the value equivalent to such expenditures, shall have been appropriated, subscribed, or contributed by the State, county, or local authorities, or by individuals or organi-

zations concerned.

Hog-cholera control: For the control and eradication of hog cholera and related swine diseases, by such means as may be necessary, including demonstrations, the formation of organizations, and other methods, either independently or in cooperation with farmers' asso-

ciations, State or county authorities, \$122,000.

Inspection and quarantine: For inspection and quarantine work, including the eradication of scabies in sheep and cattle and dourine in horses, the inspection of southern cattle, the supervision of the transportation of livestock, and the inspection of vessels, the execution of the twenty-eight-hour law, the inspection and quarantine of imported animals, including the establishment and maintenance of quarantine stations and repairs, alterations, improvements, or additions to buildings thereon; the inspection work relative to the existence of contagious diseases, and the mallein testing of animals, \$680,000.

Meat inspection: For expenses in carrying out the provisions of the Meat Inspection Act of June 30, 1906 (21 U. S. C. 95), as amended by the Act of March 4, 1907 (21 U. S. C. 71-94), as extended to equine meat by the Act of July 24, 1919 (21 U. S. C. 96), as authorized by section 2 (a) of the Act of June 26, 1934 (31 U. S. C. 725a), and as further amended by the Act of June 29, 1938 (21 U. S. C. 91), including the purchase of printed tags, labels, stamps, and certificates without regard to existing laws applicable to public printing,

\$5,433,000.

Virus Serum Toxin Act: For carrying out the provisions of the Act approved March 4, 1913 (21 U. S. C. 151–158), regulating the preparation, sale, barter, exchange, or shipment of any virus, serum, toxin, or analogous product manufactured in the United States and the importation of such products intended for use in the treatment of

domestic animals, \$218,712.

Marketing agreements with respect to hog cholera virus and serum: The sum of \$30,000 of the appropriation made by section 12 (a) of the Agricultural Adjustment Act, approved May 12, 1933, is hereby made available during the fiscal year for which appropriations are herein made to carry into effect sections 56 to 60, inclusive, of the Act approved August 24, 1935 (7 U. S. C. 851-855), entitled "An Act to amend the Agricultural Adjustment Act, and for other purposes", including the employment of persons and means in the District of Columbia and elsewhere.

In all, salaries and expenses, Bureau of Animal Industry,

\$16,663.712.

# ERADICATION OF FOOT-AND-MOUTH AND OTHER CONTAGIOUS DISEASES OF ANIMALS

In case of an emergency arising out of the existence of foot-andmouth disease, rinderpest, contagious pleuropneumonia, or other contagious or infectious disease of animals, which, in the opinion of the Secretary of Agriculture, threatens the livestock industry of the country, he may expend in the city of Washington or elsewhere any unexpended balances of appropriations heretofore made for this purpose in the arrest and eradication of any such disease, including the payment of claims growing out of past and future purchases and destruction, in cooperation with the States, of animals affected

by or exposed to, or of materials contaminated by or exposed to, any such disease, wherever found and irrespective of ownership, under like or substantially similar circumstances, when such owner has complied with all lawful quarantine regulations: Provided, That the payment for animals hereafter purchased may be made on appraisement based on the meat, dairy, or breeding value, but in case of appraisement based on breeding value no appraisement of any animal shall exceed three times its meat or dairy value, and, except in case of an extraordinary emergency, to be determined by the Secretary of Agriculture, the payment by the United States Government for any animals shall not exceed one-half of any such appraisements: Provided further, That the sum of \$5,000 of the unexpended balance of the appropriation of \$3,500,000 contained in the Second Deficiency Appropriation Act, fiscal year 1924, approved December 5, 1924, for the eradication of the foot-and-mouth disease and other contagious or infectious diseases of animals, is hereby made available during the fiscal year for which appropriations are herein made to enable the Secretary of Agriculture to control and eradicate the European fowl pest and similar diseases in poultry.

Total, Bureau of Animal Industry, \$16,663,712, of which amount not to exceed \$768,898 may be expended for departmental personal services in the District of Columbia, and not to exceed \$100,000 shall be available for the purchase of motor-propelled and horse-drawn passenger-carrying vehicles necessary in the conduct of field

work outside the District of Columbia.

# BUREAU OF DAIRY INDUSTRY

#### SALARIES AND EXPENSES

For carrying out the provisions of the Act approved May 29, 1924 (7 U. S. C. 401–404), establishing a Bureau of Dairying, for salaries in the city of Washington and elsewhere, and for all other necessary expenses, as follows:

General administrative expenses: For necessary expenses for general administrative purposes, including the salary of the Chief of Bureau and other personal services in the District of Columbia,

\$75,500.

Dairy investigations: For conducting investigations, experiments, and demonstrations in dairy industry, cooperative investigations of the dairy industry in the various States, and inspection of renovated-butter factories, including repairs to buildings, not to exceed \$5,000 for the construction of buildings, \$645,905.

Total, salaries and expenses, Bureau of Dairy Industry, \$721,405, of which amount not to exceed \$343,510 may be expended for per-

sonal services in the District of Columbia.

# BUREAU OF PLANT INDUSTRY

## SALARIES AND EXPENSES

For the investigation of fruits, fruit trees, grain, cotton, tobacco, vegetables, grasses, forage, drug, medicinal, poisonous, fiber, and other plants and plant industries, and of soils and soil-plant relationships, in cooperation with other branches of the Department, the State

experiment stations, and practical farmers; for the erection of necessary farm buildings: *Provided*, That the cost of any building erected, except head houses connecting greenhouses, shall not exceed \$2,500; and for the employment of persons and means in the city of Washington and elsewhere required for the investigations, experiments, and demonstrations herein authorized, as follows:

General administrative expenses: For necessary expenses for general administrative purposes, including the salary of chief of bureau and other personal services in the District of Columbia, \$202,442.

Arlington Farm: For continuing the necessary improvements to establish and maintain a general experiment farm and agricultural station on the Arlington estate, in the State of Virginia, in accordance with the provisions of the Act of Congress approved April 18, 1900 (31 Stat. 135, 136), \$49.414.

Botany: For investigation, improvement, and utilization of wild plants and grazing lands, and for determining the distribution of weeds and means of their control, \$76,635, of which \$40,000 shall be expended for scientific investigation concerning control and eradica-

tion of whitetop, bind weed, and other noxious weeds.

Cereal crops and diseases: For the investigation and improvement of cereals, including corn, and methods of cereal production and for the study and control of cereal diseases, and for the investigation of the cultivation and breeding of flax for seed purposes, including a study of flax diseases, and for the investigation and improvement of broomcorn and methods of broomcorn production, \$551.121.

Cotton and other fiber crops and diseases: For investigation of the production of cotton and other fiber crops, including the improvement by cultural methods, breeding, and selection, fiber yield and quality, and the control of diseases, \$424,385, of which sum not less than \$14,700 shall be used for experimenting in Sea Island cotton, includ-

ing its hybridization with other varieties.

Drug and related plants: For the investigation, testing, and improvement of plants yielding drugs, spices, poisons, oils, and related prod-

ucts and byproducts, \$47,139.

Dry-land agriculture: For the investigation and improvement of methods of crop production under subhumid, semiarid, or dry-land conditions, \$226,828: *Provided*, That no part of this appropriation shall be used for the establishment of any new field station.

Experimental greenhouse maintenance: For maintenance and operation of experimental greenhouses and adjacent experimental grounds

and plots, \$77,372.

Forage crops and diseases: For the investigation and improvement of forage crops, including grasses, alfalfas, clovers, soybeans, lespedezas, vetches, cowpeas, field peas, and miscellaneous legumes; for the investigation of green-manure crops and cover crops; for investigations looking to the improvement of pastures; and for the investigation of forage-crop diseases and methods of control, \$313,450.

Forest pathology: For the investigation of diseases of forest and ornamental trees and shrubs, including a study of the nature and habits of the parasitic fungi causing the chestnut-tree bark disease, the white-pine blister rust, and other epidemic tree diseases, for the purpose of discovering new methods of control and applying methods of eradication or control already discovered, and including \$132,569 for investigations of diseases of forest trees and forest products,

under section 3 of the Act approved May 22, 1928 (16 U.S. C. 581b),

\$265,392.

Fruit and vegetable crops and diseases: For investigation and control of diseases, for improvement of methods of culture, propagation, breeding, selection, and related activities concerned with the production of fruits, nuts, vegetables, ornamentals, and related plants, for investigation of methods of harvesting, packing, shipping, storing and utilizing these products, and for studies of the physiological and related changes of such products during processes of marketing and while in commercial storage, \$1,348,982.

Genetics and biophysics: For biophysical investigations in connec-

tion with the various lines of work herein authorized, \$31,675.

Irrigation agriculture: For investigations of crop production on irrigable lands, the quality of irrigation water and its use by crops, and methods for improving and maintaining the productivity of irrigated soils, \$152,674.

Mycology and disease survey: For mycological collections and the

maintenance of a plant-disease survey, \$45,818.

National Arboretum: For the maintenance and development of the National Arboretum established under the provisions of the Act entitled "An Act authorizing the Secretary of Agriculture to establish a National Arboretum, and for other purposes", approved March 4, 1927 (20 U. S. C. 191–194), erection of buildings, employment of persons and means in the city of Washington and elsewhere, and traveling expenses of employees and advisory council, \$54,587, of which such amounts as may be necessary may be expended by contract or otherwise for the services of consulting landscape architects without reference to the Classification Act of 1923, as amended, or civil-service rules.

Nematology: For crop technological investigations, including the

study of plant-infesting nematodes, \$48,961.

Plant exploration and introduction: For investigations in seed and plant introduction, including the study, collection, purchase, testing, propagation, and distribution of rare and valuable seeds, bulbs, trees, shrubs, vines, cuttings, and plants from foreign countries and from our possessions, and for experiments with reference to their introduction and cultivation in this country, \$200,933: Provided, That not to exceed \$1,400 of this amount may be expended for the purchase of approximately twenty acres of land to enlarge the United States Plant Introduction Garden at Glenn Dale, Maryland.

Plant nutrition: For plant-nutrition investigations, \$16,024.
Rubber and other tropical plants: For investigation of crops from tropical regions and for the study and improvement of rubber plants by cultural methods, breeding, acclimatization, adaptation, and selec-

tion, and for investigation of their diseases, \$46,749.

Soil chemical and physical investigations: For chemical, physical, and physical-chemical investigations of soil types, soil composition, and soil minerals, the soil solution, solubility of soil, and all chemical and physical properties of soils in their relation to soil formation, soil texture, erosibility, and soil productivity, \$76,700.

Soil-fertility investigations: For soil investigations into causes of infertility; maintenance of productivity; effects of soil composition, cultural methods, and fertilizers on yield and quality of crops; and

the properties, composition, formation, and transformation of soil

organic matter, \$121,622.

Soil microbiology investigations: For investigations of the microorganisms of the soil and their activities, including the testing of samples procured in the open market, of cultures for inoculating legumes, other crops, or soil, and the publication of results, and if any such samples are found to be impure, nonviable, or misbranded, the results of the tests may be published, together with the names of the manufacturers and of the persons by whom the cultures were offered for sale, \$39,854.

Soil survey: For the investigation of soils and their origin, for survey of the extent of classes and types, and for indicating upon maps and plats, by coloring or otherwise, the results of such investi-

gations and surveys, \$298,708.

Sugar-plant investigations: For sugar-plant investigations, including studies of diseases and the improvement of sugar beets and sugar-beet seed, \$330,000.

Tobacco investigations: For the investigation and improvement of tobacco and the methods of tobacco production and handling,

\$135,544.

Total, salaries and expenses, Bureau of Plant Industry, \$5,183,009, of which amount not to exceed \$1,761,950 may be expended for departmental personal services in the District of Columbia and not to exceed \$25,325 shall be available for the purchase of motor-propelled and horse-drawn passenger-carrying vehicles necessary in the conduct of field work outside the District of Columbia.

# FOREST SERVICE

#### SALARIES AND EXPENSES

For the employment of persons and means in the District of Columbia and elsewhere to enable the Secretary of Agriculture to experiment and to make and continue investigations and report on forestry, national forests, forest fires, and lumbering, but no part of this appropriation shall be used for any experiment or test made outside the jurisdiction of the United States; to advise the owners of woodlands as to the proper care of the same; to investigate and test American timber and timber trees and their uses, and methods for the preservative treatment of timber; to seek, through investigations and the planting of native and foreign species, suitable trees for the treeless regions; to erect necessary buildings: Provided, That the cost of any building purchased, erected, or as improved, exclusive of the cost of constructing a water-supply or sanitary system and of connecting the same with any such building, and exclusive of the cost of any tower upon which a lookout house may be erected, shall not exceed \$7,500, with the exception that any building erected, purchased, or acquired, the cost of which was \$7,500 or more, may be improved out of the appropriations made under this Act for the Forest Service by an amount not to exceed 2 per centum of the cost of such building as certified by the Secretary of Agriculture; to protect, administer, and improve the national forests, including tree planting and other measures to prevent erosion, drift, surface wash, soil waste, and the for-

mation of floods, and to conserve water and including the payment of rewards under regulations of the Secretary of Agriculture for information leading to the arrest and conviction for violation of the laws and regulations relating to fires in or near national forests, or for the unlawful taking of, or injury to, Government property; to ascertain the natural conditions upon and utilize the national forests, to transport and care for fish and game supplied to stock the national forests or the waters therein; to collate, digest, report, and illustrate the results of experiments and investigations made by the Forest Service; to purchase law books, reference and technical books, and technical journals for officers of the Forest Service stationed outside of Washington, and for medical supplies and services and other assistance necessary for the immediate relief of artisans, laborers, and other employees engaged in any hazardous work under the Forest Service: Provided further. That the appropriations for the work of the Forest Service shall be available for meeting the expenses of warehouse maintenance and the procurement, care, and handling of supplies, equipment, and materials stored therein for distribution to projects under the supervision of the Forest Service and for sale and distribution to other Government activities and to State and private agencies who cooperate with the Forest Service in fire control under terms of written cooperative agreements, the cost of such supplies, equipment, and materials, including the cost of supervision, transportation, warehousing, and handling, to be reimbursed to appropriations current at the time additional supplies and materials are procured for warehouse stocks: Provided further, That the Forest Service may rent equipment to other Federal agencies at rates sufficient to reimburse the appropriations of the Forest Service that would otherwise be chargeable with the cost of the repair, maintenance, and depreciation of such equipment, as follows:

General administrative expenses: For necessary expenses for general administrative purposes, including the salary of the Chief Forester, for the necessary expenses of the National Forest Reservation Commission as authorized by section 14 of the Act of March 1, 1911 (16 U. S. C. 514), and for other personal services in the District of

Columbia, \$607.500.

National forest protection and management: For the administration, protection, use, maintenance, improvement, and development of the national forests, including the establishment and maintenance of forest tree nurseries, including the procurement of tree seed and nursery stock by purchase, production, or otherwise, seeding and tree planting and the care of plantations and young growth; the maintenance and operation of aerial fire control by contract or otherwise; the maintenance of roads and trails and the construction and maintenance of all other improvements necessary for the proper and economical administration, protection, development, and use of the national forests, including experimental forests: Provided, That where, in the opinion of the Secretary of Agriculture, direct purchases will be more economical than construction, improvements may be purchased; the construction, equipment, and maintenance of sanitary, fire preventive, and recreational facilities; control of destructive forest tree diseases and insects; timber cultural operations; development and application of fish and game management plans;

propagation and transplanting of plants suitable for planting on semiarid portions of the national forests; estimating and appraising of timber and other resources and development and application of plans for their effective management, sale, and use; examination. classification, surveying, and appraisal of land incident to effecting exchanges authorized by law and of lands within the boundaries of the national forests that may be opened to homestead settlement and entry under the Act of June 11, 1906, and the Act of August 10, 1912 (16 U. S. C. 506-509), as provided by the Act of March 4, 1913 (16 U. S. C. 512); and all expenses necessary for the use, maintenance, improvement, protection, and general administration of the national forests, including lands under contract for purchase or for the acquisition of which condemnation proceedings have been instituted under the Act of March 1, 1911 (16 U. S. C. 521), and the Act of June 7, 1924 (16 U.S. C. 471, 499, 505, 564-570), lands transferred by authority of the Secretary of Agriculture from the Resettlement Administration to the Forest Service, and lands transferred to the Forest Service under authority of the Bankhead-Jones Farm Tenant Act. \$12,004.000: Provided, That \$200 of this appropriation shall be available for the expenses of properly caring for the graves of fire fighters buried at Wallace, Idaho; Newport, Washington; and Saint Maries, Idaho: *Provided further*, That in sales of logs, ties, poles, posts, cordwood, pulpwood, and other forest products the amounts made available for schools and roads by the Act of May 23, 1908 (16 U. S. C. 500), and the Act of March 4, 1913 (16 U. S. C. 501), shall be based upon the stumpage value of the timber.

Water rights: For the investigation and establishment of water rights, including the purchase thereof or of lands or interests in lands or rights-of-way for use and protection of water rights necessary or beneficial in connection with the administration and public

use of the national forests, \$20,000.

Fighting forest fires: For fighting and preventing forest fires on or threatening the national forests and unappropriated public forest lands, \$100,000, which amount shall be immediately available.

Private forestry cooperation: For cooperation with and advice to timberland owners and associations, wood-using industries or other appropriate agencies in the application of forest management principles to private forest lands, so as to attain sustained yield management, the conservation of the timber resource, the productivity of forest lands, and the stabilization of employment and economic con-

tinuance of forest industries, \$100,000.

Forest research: For forest research in accordance with the provisions of sections 1, 2, 7, 8, 9, and 10 of the Act entitled "An Act to insure adequate supplies of timber and other forest products for the people of the United States, to promote the full use for timber growing and other purposes of forest lands in the United States, including farm wood lots and those abandoned areas not suitable for agricultural production, and to secure the correlation and the most economical conduct of forest research in the Department of Agriculture through research in reforestation, timber growing, protection, utilization, forest economics, and related subjects", approved May 22, 1928, as amended (16 U. S. C. 581, 581a, 581f-581i), as follows:

Forest management: Fire, silvicultural, and other forest investigations and experiments under section 2, as amended, at forest experiment stations or elsewhere, \$613.403, of which \$5,000 shall be for investigations of the lowland hardwoods in the lower Mississippi River Basin.

Range investigations: Investigations and experiments to develop improved methods of management of forest and other ranges under section 7, at forest or range experiment stations or elsewhere,

\$245.935.

Forest products: Experiments, investigations, and tests of forest products under section 8, at the Forest Products Laboratory, or elsewhere, \$664,181.

Forest survey: A comprehensive forest survey under section 9,

\$250,000.

Forest economics: Investigations in forest economics under section

10, \$149,295.

Forest influences: For investigations and experiments at forest experiment stations or elsewhere for determining and demonstrating the influence of natural vegetative cover characteristic of forest, range, or other wild land on water conservation, flood control, stream-flow regulation, erosion, climate, and maintenance of soil productivity, and for developing preventive and control measures therefor, \$139,152.

Tropical forest experiment station: For the establishment and maintenance of a forest experiment station in the tropical possessions of the United States in the West Indies, pursuant to section 2 of the

Act of May 22, 1928 (16 U.S. C. 581a), \$30,000.

In all, salaries and expenses, \$14,923,466; and in addition thereto there are hereby appropriated all moneys received as contributions toward cooperative work under the provisions of section 1 of the Act approved March 3, 1925 (16 U. S. C. 572), which funds shall be covered into the Treasury and constitute a part of the special funds provided by the Act of June 30, 1914 (16 U. S. C. 498): Provided, That not to exceed \$859,659 may be expended for departmental personal services in the District of Columbia: Provided further, That not to exceed \$1,500 may be expended for the contribution of the United States to the cost of the office of the secretariat of the International Union of Forest Research Stations and of the Department of Timber Utilization of the Comité International du Bois.

### FOREST-FIRE COOPERATION

For cooperation with the various States or other appropriate agencies in forest-fire prevention and suppression and the protection of timbered and cut-over lands in accordance with the provisions of sections 1, 2, and 3 of the Act entitled "An Act to provide for the protection of forest lands, for the reforestation of denuded areas, for the extension of national forests, and for other purposes, in order to promote continuous production of timber on lands chiefly valuable therefor", approved June 7, 1924 (16 U. S. C. 564–570), as amended, including also the study of the effect of tax laws and the investigation of timber insurance as provided in section 3 of said Act, \$2,200,000, of which not to exceed \$54,800 shall be available for departmental personal services in the District of Columbia and not to exceed \$2,500 for the purchase of supplies and equipment required for the purposes of said Act in the District of Columbia.

#### COOPERATIVE DISTRIBUTION OF FOREST PLANTING STOCK

For cooperation with the various States in the procurement, production, and distribution of forest-tree seeds and plants in establishing windbreaks, shelterbelts, and farm wood lots upon denuded or nonforested lands within such cooperating States, under the provisions of section 4 of the Act entitled "An Act to provide for the protection of forest lands, for the reforestation of denuded areas, for the extension of national forests, and for other purposes, in order to promote the continuous production of timber on lands chiefly suitable therefor", approved June 7, 1924 (16 U. S. C. 567), and Acts supplementary thereto, \$100,000, which amount shall be available for the employment of persons and means in the District of Columbia and elsewhere.

# ACQUISITION OF LANDS FOR NATIONAL FORESTS

For the acquisition of forest lands under the provisions of the Act approved March 1, 1911, as amended (16 U.S.C. 513-519, 521), under sound commercial title satisfactory to the Attorney General as provided in said Act, including the transfer to the Office of the Solicitor of such funds for the employment by that office of persons and means in the District of Columbia and elsewhere as may be necessary in connection with the acquisition of such lands, \$3,000,000: Provided, That not to exceed \$112,500 of the sum appropriated in this paragraph may be expended for departmental personal services in the District of Columbia.

For the acquisition of land to facilitate the control of soil erosion and flood damage originating within the exterior boundaries of the following national forests, in accordance with the provisions of the following Acts authorizing annual appropriations of forest receipts for such purposes, and in not to exceed the following amounts from such receipts: Uinta and Wasatch National Forests, Utah, Act of August 26, 1935 (49 Stat. 863), \$40,000; Cache National Forest, Utah, Act of May 11, 1938 (52 Stat. 347), \$6,000; San Bernardino and Cleveland National Forests in Riverside County, California, Act of June 15, 1938 (52 Stat. 699), \$15,000; Nevada and Toivabe National Forests, Nevada, Act of June 25, 1938 (52 Stat. 1205), \$10,000; in all, \$71,000.

Total, Forest Service, \$20.294.466, of which amount not to exceed \$61,628 shall be available for the purchase of motor-propelled and horse-drawn passenger-carrying vehicles necessary in the conduct of field work outside the District of Columbia, and in addition thereto there is authorized for expenditure from funds provided for carrying out the provisions of the Federal Highway Act of November 9, 1921 (23 U. S. C. 21, 23), not to exceed \$9.755 for the purchase of motor-propelled passenger-carrying vehicles for use by the Forest Service in the construction and maintenance of national-forest roads.

# BUREAU OF AGRICULTURAL CHEMISTRY AND ENGINEERING

#### SALARIES AND EXPENSES

For investigations, experiments, and demonstrations hereinafter authorized, independently or in cooperation with other branches of the Department of Agriculture, other departments or agencies of the

Federal Government, States, State agricultural experiment stations, universities, and other State agencies and institutions, counties, municipalities, business, farm, or other organizations and corporations, individuals, associations, and scientific societies, including the employment of necessary persons and means in the city of Washington and elsewhere; and for erection, alteration, and repair of buildings outside the District of Columbia at a total cost not to exceed \$15,000, as follows:

General administrative expenses: For necessary expenses for general administrative purposes, including the salary of Chief of Bureau and other personal services in the District of Columbia, \$112,800.

Agricultural chemical investigations: For conducting the investigations contemplated by the Act of May 15, 1862 (5 U. S. C. 511, 512), relating to the application of chemistry to agriculture; for the biological, chemical, physical, microscopical, and technological investigation of foods, feeds, drugs, plant and animal products, and substances used in the manufacture thereof; for investigations of the physiological effects and for the pharmacological testing of such products and of insecticides; for the investigation and development of methods for the manufacture of sugars, sugar sirups, and starches and the utilization of new agricultural materials for such purposes; for the technological investigation of the utilization of fruits and vegetables and for frozen pack investigations; for the investigation of chemicals for the control of noxious weeds and plants; and to cooperate with associations and scientific societies in the development of methods of analysis, \$411,500, of which amount not to exceed \$19,000 shall be available for the construction and equipment of an addition to the United States Citrus Products Laboratory, Winter Haven, Florida.

Industrial utilization of farm products and byproducts: For the investigation, development, experimental demonstration and application of methods for the industrial utilization of agricultural products, waste, and byproducts, and products made therefrom, except as otherwise provided for in this Act, by the application of chemical, physical and technological methods, including the changes produced by microorganisms such as yeasts, bacteria, molds, and fungi; the utilization for color, medicinal, and technical purposes of substances grown or

produced in the United States, \$191,200.

Agricultural engineering investigations: For investigations, experiments, and demonstrations involving the application of engineering principles to agriculture for the investigation, development, experimental demonstration, and application of methods for the prevention and control of dust explosions and fires during the harvesting, handling, milling, processing, fumigating, and storing of agricultural products, and of other dust explosions and resulting fires not otherwise provided for, including fires in grain mills and elevators, cotton gins, cotton-oil mills, and other structures; the heating, charring, and ignition of agricultural products; fires on farms and in rural communities and other explosions and fires in connection with farm and agricultural operations; for investigating and reporting upon the different kinds of farm power and appliances; upon farm domestic water supply and sewage disposal, upon the design and construction of farm buildings and their appurtenances and of buildings for processing and storing farm products; upon farm power and mechanical farm

equipment and rural electrification; upon the engineering problems relating to the processing, transportation, and storage of perishable and other agricultural products; and upon the engineering problems involved in adapting physical characteristics of farm land to the use of modern farm machinery; for investigations of cotton ginning under the Act approved April 19, 1930 (7 U. S. C., 424, 425); for giving expert advice and assistance in agricultural and chemical engineering; for collating, reporting, and illustrating the results of investigations and preparing, publishing, and distributing bulletins, plans, and reports, \$349,469.

Naval-stores investigations: For the investigation of naval stores (turpentine and rosin) and their components; the investigation and experimental demonstration of improved equipment, methods or processes of preparing naval stores; the weighing, storing, handling, transportation, and utilization of naval stores; and for the assembling and compilation of data on production, distribution, and consumption of turpentine and rosin, pursuant to the Act of August 15, 1935

(5 U.S. C. 556b), \$89,400.

Fertilizer investigations: For investigations within the United States of fertilizers, fertilizer ingredients, including phosphoric acid and potash, and other soil amendments and their suitability for agri-

cultural use. \$225,000.

Total, salaries and expenses. Bureau of Agricultural Chemistry and Engineering, \$1,379,369, of which amount not to exceed \$895,500 may be expended for personal services in the District of Columbia, and not to exceed \$3,725 shall be available for the purchase of motor-propelled and horse-drawn passenger-carrying vehicles necessary in the conduct of field work outside the District of Columbia.

# BUREAU OF ENTOMOLOGY AND PLANT QUARANTINE

#### SALARIES AND EXPENSES

For necessary expenses connected with investigations, experiments, and demonstrations for the promotion of economic entomology, for investigating and ascertaining the best means of destroying insects and related pests injurious to agriculture, for investigating and importing useful and beneficial insects and bacterial, fungal, and other diseases of insects and related pests, for investigating and ascertaining the best means of destroying insects affecting man and animals, to enable the Secretary of Agriculture to carry into effect the provisions of the Plant Quarantine Act of August 20, 1912, as amended, to conduct other activities hereinafter authorized, and for the eradication, control, and prevention of spread of injurious insects and plant pests, independently or in cooperation with other branches of the Federal Government, States, counties, municipalities, corporations, agencies, individuals, or with foreign governments; including the employment of necessary persons and means in the District of Columbia and elsewhere, rent, construction, or repair of necessary buildings outside the District of Columbia: *Provided*, That, unless otherwise specifically provided, the cost for the construction of any building shall not exceed \$1,500 and the total amount expended for such construction in any one year shall not exceed \$7,000, as follows:

General administrative expenses: For general administrative purposes, including the salary of Chief of Bureau and other personal services, \$166,280.

Fruit insects: For insects affecting fruits, grapes, and nuts,

\$428.600.

Japanese beetle control: For the control and prevention of spread

of the Japanese beetle, \$395,000.

Sweetpotato weevil control: For the determination and application of such methods of control for sweetpotato weevils as, in the judgment of the Secretary of Agriculture, may be necessary, \$75,000: Provided. That, in the discretion of the Secretary of Agriculture, no part of this appropriation shall be expended for the control of sweetpotato weevil in any State until such State has provided cooperation necessary to accomplish this purpose: Provided further, That no part of this appropriation shall be used to pay the cost or value of farm animals, farm crops, or other property injured or destroyed.

Mexican fruitfly control: For the control and prevention of spread of the Mexican fruitfly, including necessary surveys and control operations in Mexico in cooperation with the Mexican Government or

local Mexican authorities, \$160,460.

Citrus canker eradication: For determining and applying such methods of eradication or control of the disease of citrus trees known as "citrus canker" as in the judgment of the Secretary of Agriculture may be necessary, including cooperation with such authorities of the States concerned, organizations of growers, or individuals, as he may deem necessary to accomplish such purposes, \$13,485: Provided, That no part of the money herein appropriated shall be used to pay the cost or value of trees or other property injured or destroyed.

Gypsy and brown-tail moth control: For the control and preven-

tion of spread of the gypsy and brown-tail moths, \$375,000.

Dutch elm disease eradication: For determining and applying methods of eradication, control, and prevention of spread of the disease of elm trees known as "Dutch elm disease" and of a virus disease of elm trees prevalent in the Ohio Valley, \$500,000: Provided, That, in the discretion of the Secretary of Agriculture, no expenditures from this appropriation shall be made for these purposes until a sum or sums at least equal to such expenditures shall have been appropriated, subscribed, or contributed by State, county, or local authorities, or by individuals, or organizations concerned: Provided further, That no part of this appropriation shall be used to pay the cost or value of trees or other property injured or destroyed.

Phony peach and peach mosaic eradication: For determining and applying such methods of eradication, control, and prevention of spread of the diseases of peach trees known as "phony peach" and "peach mosaic" as in the judgment of the Secretary of Agriculture may be necessary, including cooperation with such authorities of the States concerned, organizations of growers, or individuals, as he may deem necessary to accomplish such purposes, including the certification of products out of the infested areas to meet the requirements of State quarantines, \$89,800: Provided, That no part of the money herein appropriated shall be used to pay the cost or value of trees or other property injured or destroyed.

Forest insects: For insects affecting forests and forest products, under section 4 of the Act approved May 22, 1928 (16 U. S. C.

581e), entitled "An Act to insure adequate supplies of timber and other forest products for the people of the United States, to promote the full use for timber growing and other purposes of forest lands in the United States, including farm wood lots and those abandoned areas not suitable for agricultural production, and to secure the correlation and the most economical conduct of forest research in the Department of Agriculture, through research in reforestation, timber growing, protection, utilization, forest economics, and related subjects", and for insects affecting ornamental trees and shrubs, \$253,100: Provided, That \$40,000 of this amount shall only be avail-

able for expenditure when matched by State funds.

Blister rust control: For applying such methods of eradication, control, and prevention of spread of the white pine blister rust as in the judgment of the Secretary of Agriculture may be necessary to accomplish such purposes, and in the discretion of the Secretary of Agriculture no expenditures shall be made for these purposes until a sum or sums at least equal to such expenditures shall have been appropriated, subscribed, or contributed by State, county, or local authorities, or by individuals or organizations concerned, \$300,000: Provided, That no part of this appropriation shall be used to pay the cost or value of trees or other property injured or destroyed.

Truck crop and garden insects: For insects affecting truck crops, ornamental and garden plants, including tobacco, sugar beets, and

greenhouse and bulbous crops, \$381,580.

Cereal and forage insects: For insects affecting cereal and forage crops, including sugarcane and rice, and including research on the

European corn borer, \$383,700.

European corn borer control: For the control and prevention of spread of the European corn borer and for the certification of products out of the infested areas to meet the requirements of State quarantines on account of the European corn borer, \$32,939.

Barberry eradication: For the eradication of the common barberry and for applying such other methods of eradication, control, and prevention of spread of cereal rusts as in the judgment of the Secretary of Agriculture may be necessary to accomplish such purposes, \$175,000: Provided, That, in the discretion of the Secretary of Agriculture, no expenditures from this appropriation shall be made for these purposes until a sum or sums at least equal to such expenditures shall have been appropriated, subscribed, or contributed by States, counties, or local authorities, or by individuals or organizations for the accomplishment of such purposes: Provided further, That no part of the money herein appropriated shall be used to pay the cost or value of property injured or destroyed.

Cotton insects: For insects affecting cotton, \$144,544.

Pink bollworm control: For the control and prevention of spread of the pink bollworm, including the establishment of such cotton-free areas as may be necessary to stamp out any infestation, and for necessary surveys and control operations in Mexico in cooperation with the Mexican Government or local Mexican authorities, \$906,800.

Bee culture: For bee culture and apiary management, \$83,000.

Thurberia weevil control: For the control and prevention of spread of the Thurberia weevil, \$2,808.

Insects affecting man and animals: For insects affecting man,

household possessions, and animals, \$181,500.

Insect-pest survey and identification: For the identification and classification of insects, including taxonomic, morphological, and related phases of insect-pest control and the maintenance of an insect-pest survey for the collection and dissemination of information to Federal, State, and other agencies concerned with insect-pest control. \$154.790.

Foreign parasites: For administrative expenses in connection with the introduction of natural enemies of injurious insects and related pests and for the exchange with other countries of useful and bene-

ficial insects and other arthropods, \$38,000.

Control investigations: For developing equipment or apparatus to aid in enforcing plant quarantines, eradication and control of plant pests, determining methods of disinfecting plants and plant products to eliminate injurious pests, determining the toxicity of insecticides, and related phases of insect-pest control, \$67,518.

Insecticide and fungicide investigations: For the investigation and development of methods of manufacturing insecticides and fungicides, and for investigating chemical problems relating to the composition, action, and application of insecticides and fungicides,

\$134.984.

Transit inspection: For the inspection in transit or otherwise of articles quarantined under the Act of August 20, 1912 (7 U. S. C. 161, 164a), as amended, and for the interception and disposition of materials found to have been transported interstate in violation of

quarantines promulgated thereunder, \$44,059.

Foreign plant quarantines: For enforcement of foreign plant quarantines, at the port of entry and port of export, and to prevent the movement of cotton and cottonseed from Mexico into the United States, including the regulation of the entry into the United States of railway cars and other vehicles, and freight, express, baggage, or other materials from Mexico, and the inspection, cleaning, and disinfection thereof, including construction and repair of necessary buildings, plants, and equipment, for the fumigation, disinfection, or cleaning of products, railway cars, or other vehicles entering the United States from Mexico, \$680,000: Provided, That any moneys received in payment of charges fixed by the Secretary of Agriculture on account of such cleaning and disinfection shall be covered into the Treasury as miscellaneous receipts.

Certification of exports: For the inspection, under such rules and regulations as the Secretary of Agriculture may prescribe, of domestic plants and plant products when offered for export and to certify to shippers and interested parties as to the freedom of such products from injurious plant diseases and insect pests according to the sanitary requirements of the foreign countries affected and to make such reasonable charges and to use such means as may be necessary to accomplish this object, \$31,862: Provided, That moneys received on account of such inspection and certification shall be covered into the

Treasury as miscellaneous receipts.

Control of incipient and emergency outbreaks of insect pests and plant diseases: Not to exceed \$400,000 of the funds appropriated

under this head in the First Deficiency Appropriation Act, fiscal year 1939 (Public, Numbered 7, Seventy-sixth Congress), approved March

15, 1939, shall remain available until June 30, 1940.

Total salaries and expenses, Bureau of Entomology and Plant Quarantine, \$6,199,809, of which amount not to exceed \$879,986 may be expended for personal services in the District of Columbia, and not to exceed \$40,900 shall be available for the purchase of motor-propelled and horse-drawn passenger-carrying vehicles necessary in the conduct of field work outside the District of Columbia.

# BUREAU OF BIOLOGICAL SURVEY

### SALARIES AND EXPENSES

For the employment of persons and means in the city of Washington and elsewhere, including the purchase of printed bags, tags, and labels, without regard to existing laws applicable to public printing, and all other expenses necessary in conducting investigations and carrying out the work of the Bureau, including cooperation with Federal, State, county, or other agencies or with farm bureaus, organizations, or individuals, as follows:

General administrative expenses: For necessary expenses for general administrative purposes, including the salary of Chief of Bureau and other personal services in the District of Columbia, \$118,000.

Food habits of birds and animals: For investigating the food habits and economic value of North American birds and animals in relation to agriculture, horticulture, and forestry, including methods of conserving beneficial and controlling injurious birds and animals, \$68,140.

Fur resources investigations: For investigations, experiments, demonstrations, and cooperation in connection with the production and utilization of animals the pelts of which are used commercially for fur, including the erection of necessary buildings and other structures,

\$91,000.

Biological investigations: For biological investigations, including the relations, habits, geographic distribution, and migration of animals and plants, and the preparation of maps of the life zones, and including \$30,738 for investigations of the relations of wild animal life to forests, under section 5 of the Act approved May 22, 1928 (16 U. S. C. 581d), and for investigations of the wildlife resources of the Territory of Alaska, including the erection of necessary buildings and

other structures, \$186,000.

Control of predatory animals and injurious rodents: For investigations, demonstrations, and cooperation in destroying animals injurious to agriculture, horticulture, forestry, animal husbandry, and wild game, as authorized by the Act of March 2, 1931 (7 U. S. C. 426–426b); and in protecting stock and other domestic animals through the suppression of rabies and other diseases in predatory wild animals; and for construction, repairs, additions, and installations in and about the grounds and buildings of the game-management supply depot and laboratory at Pocatello, Idaho, including purchase, transportation, and handling of supplies and materials for distribution from said depot to other projects, in accordance with the provisions of the Act approved June 24, 1936 (16 U. S. C. 667), \$700,000.

Protection of migratory birds: For all necessary expenses for enforcing the provisions of the Migratory Bird Treaty Act of July 3, 1918, as amended by the Act of June 20, 1936 (16 U.S. C. 703-711), to carry into effect the treaty with Great Britain for the protection of birds migrating between the United States and Canada (39 Stat., pt. 2, 1702), and the convention between the United States and the United Mexican States for the protection of migratory birds and game mammals; for cooperation with local authorities in the protection of migratory birds, and for necessary investigations connected therewith: for the enforcement of sections 241, 242, 243, and 244 of the Act approved March 4, 1909 (18 U.S. C. 391-394), entitled "An Act to codify, revise, and amend the penal laws of the United States", as amended by title II of the Act approved June 15, 1935 (18 U.S. C. 392-394), and for the enforcement of section 1 of the Act approved May 25, 1900 (16 U. S. C. 701), entitled "An Act to enlarge the powers of the Department of Agriculture, prohibit the transportation by interstate commerce of game killed in violation of local laws, and for other purposes", including all necessary investigations in connection therewith, \$365,000, of which not to exceed \$10,000 may be expended in the discretion of the Secretary of Agriculture for the purpose of securing information concerning violations of the laws for the enforcement of which this appropriation is made available.

Enforcement of Alaska game law: For the enforcement of the provisions of the Alaska game law, approved January 13, 1925, as amended by the Act of February 14, 1931, and by the Act of June 25,

1938 (48 U. S. C. 192–211), \$130,798.

Maintenance of mammal and bird reservations: For the maintenance of the Montana National Bison Range, the Upper Mississippi River Wildlife Refuge, the Bear River Migratory Bird Refuge, the Wichita Mountains Wildlife Refuge, and other reservations, and for the maintenance of game introduced into suitable localities on public lands, under supervision of the Biological Survey, including construction of fencing, wardens' quarters, shelters for animals, landings, roads, including the purchase of necessary materials to be used in conjunction with Works Progress Administration labor in improving roads in the Wichita Mountains Wildlife Refuge, not exceeding \$30,000, trails, bridges, ditches, telephone lines, rockwork, bulkheads, and other improvements necessary for the economical administration and protection of the reservations; for the enforcement of section 84 of the Act approved March 4, 1909 (18 U. S. C. 145), entitled "An Act to codify, revise, and amend the penal laws of the United States", and Acts amendatory thereto, and section 10 of the Migratory Bird Conservation Act of February 18, 1929 (16 U. S. C. 715i); for the purchase, capture, and transportation of game for national reservations; and for the maintenance of the herd of long-horned cattle on the Wichita Mountains Wildlife Refuge, \$630,000.

Migratory bird conservation refuges: For carrying into effect the provisions of the Act entitled "An Act to more effectively meet the obligations of the United States under the migratory-bird treaty with Great Britain (39 Stat., pt. 2, 1702) by lessening the dangers threatening migratory game birds from drainage and other causes by the acquisition of areas of land and water to furnish in perpetuity reservation for the adequate protection of such birds; and authoriz-

ing appropriations for the establishment of such areas, their maintenance and improvement, and for other purposes", approved February 18, 1929, as amended by title III of the Act approved June 15, 1935 (16 U. S. C. 715–715r), \$79,753, authorized by section 12 of the Act, which sum is a part of the remaining \$410,887 of the \$1,000,000 authorized to be appropriated for the fiscal year ending June 30, 1933.

In all, salaries and expenses, \$2,368,691.

#### UPPER MISSISSIPPI RIVER WILDLIFE REFUGE

For the acquisition of areas of land or land and water pursuant to the Act entitled "An Act to establish the Upper Mississippi River Wildlife and Fish Refuge", approved June 7, 1924 (16 U. S. C. 721–731), as amended, and for all necessary expenses incident thereto, to remain available until expended, \$60,000.

#### MIGRATORY BIRD CONSERVATION FUND

For carrying into effect the provisions of section 4 of the Act entitled "An Act to supplement and support the Migratory Bird Conservation Act by providing funds for the acquisition of areas for use as migratory-bird sanctuaries, refuges, and breeding grounds, for developing and administering such areas, for the protection of certain migratory birds, for the enforcement of the Migratory Bird Treaty Act and regulations thereunder, and for other purposes", approved March 16, 1934, as amended by an Act entitled "An Act to amend the Migratory Bird Hunting Stamp Act of March 16, 1934, and certain other Acts relating to game and other wildlife, administered by the Department of Agriculture, and for other purposes", approved June 15, 1935 (16 U. S. C. 718-718h), an amount equal to the sum received during the fiscal year 1940 from the proceeds from the sale of stamps, to be warranted monthly; and in addition thereto an amount equal to the unobligated balance on June 30, 1939, of the total of the proceeds received from the sale of stamps prior to July 1, 1939: Provided, That the sum of \$125,000 shall be advanced from the general fund of the Treasury on the first day of the fiscal year to the foregoing appropriation, to be returned to the surplus fund of the Treasury when the first \$125,000 of revenue from the sale of stamps has been received and warranted for the fiscal year 1940.

## FEDERAL AID IN WILDLIFE RESTORATION
